

WARRANTY STATEMENT

We stand behind the quality and reliability of our MCCBs, engineered and assembled under ISO 9001-certified quality standards. Each unit is rigorously tested to ensure optimal performance and compliance with international standards IEC 60947-2 and UL 489.

WARRANTY COVERAGE:

This product is warranted to be free from defects in materials and workmanship under normal use and service for a period of *24 months* from the date of shipment.

WHAT IS COVERED:

- Defects in material and manufacturing.
- Failures under normal operating conditions within the rated specifications (480V AC, up to 65 kA interrupting capacity).
- Malfunctions of the adjustable electronic trip unit.

WHAT IS NOT COVERED:

- Damage resulting from misuse, improper installation, unauthorized modification, or external causes (e.g., short circuits beyond rated capacity, lightning, or mechanical abuse).
- Products that have been tampered with or altered.
- Normal wear and tear.

WARRANTY CLAIMS:

To initiate a claim, please contact our customer service team with:

- - Proof of purchase
- - Product serial number
- - Description of the issue
- - Photos or test reports (if available)

Upon verification, we may offer repair, replacement, or refund at our discretion.

This warranty is limited to the original purchaser and is non-transferable.
